Core Elements of Maritime Power

Although the Sea Services conduct many missions, the following six capabilities comprise the **core of U.S. maritime power** and reflect an increase in emphasis on those activities that *prevent war and build partnerships*:

- **Forward Presence**
- **Deterrence**
- **Sea Control**
- **Power Projection**
- ***Maritime Security***
- ***Humanitarian Assistance & Disaster Response***

- **Medical support on the deckplates and battlefield**
- ***Carriers, ships, subs, Marines, Seabees, Spec Ops, more***

Core Elements of Maritime Power
